6. You will now be prompted to download the book

After your book has downloaded to your computer, you can now transfer it over to your device.

7. Plug in your eReader device and it should show up at the bottom of the list of items in the left corner.

8. **Drag and drop** your book from the right side of the screen onto the eReader icon on the left side of the screen. This will copy the file onto your device.

9. Remove your device. Your book is now loaded on your device and should be in "My Documents" folder and ready for your viewing pleasure.
